Dear Bill,

Thank you for your generous gift to Send Relief. Your gift of \$10,000 will provide practical help and Gospel hope to those suffering from the tragic consequences from Hurricane Helene and Hurricane Milton.

Your generosity to Send Relief provides food, water, debris removal, flood recovery, and more through Southern Baptist Disaster Relief (SBDR) teams in 6 states. With every meal prepared or home repaired, the gospel is proclaimed. Thank you for praying for the people impacted by these massive hurricanes, as well as the many volunteers that will be meeting immediate and long-term needs of those affected.

Thank you again for your prayers and generosity. We are honored to partner with Cornerstone Baptist Church as you live out Jesus' Great Commandment and fulfill the Great Commission.

In Christ,

Bryant Wright
President, Send Relief

Thank you very much!
